7-DAY ULTIMATE HELI TOUR

Dreams of untracked powder runs with no crowds become a reality on our Ultimate heli ski tour!

The early bird gets fresh tracks, so day one kicks off with a 6am departure from Hotel Rydges Latimer, stopping off to hire the gear needed for your first day of heli, less than 1.5 hours away in Methven.

With a combination of three days of Heli, 1 day at Mt Hutt and 1 day of backcountry (Treble Cone) riding booked, you will experience skiing and snowboarding like never before.

Staying in 3+ star to 4 star accommodation at various locations in the South Island, you can treat your body to a soak in the local hot tubs, dine out, eat in, or just relax with a wine or craft beer reflecting on the moments of awesomeness you have lived that day.

The last day of the tour ends in the scenic and adventure capital of New Zealand, Queenstown. You can choose to take part in another day of heli, or enjoy back to back runs with a day up Remarkables or Coronet Peak, or look at doing the iconic bungee jump, luge, shot over jet or freefall over the Southern Lakes in a tandem skydive.

If you have time at the end of the tour, we can arrange further heli skiing/snowboarding in Wanaka or Queenstown or lift passes at The Remarkables, Coronet Peak or Cardrona.

DAY 1 CHRISTCHURCH TO METHVEN

Kia ora and welcome to Christchurch. Your tour starts bright and early with a 6am departure from the central city. Before departure, you'll be fuelling up with a fully cooked breakfast to get your body amped for an amazing day of heli skiing/boarding. With just a 1.5 hours drive to the heli pad, your tour guide will make a scheduled stop at the rental store to collect any equipment you require.

Today you will be heli skiing and boarding a vast mountainous area spanning three 3 ranges – The Arrowsmith, Ragged and Palmer Ranges. Charge up your cameras, because this is footage you'll be bragging to your mates about.

Your heli guides know all the sweet spots, with over 200 named heli runs across the 3 mountain ranges, so there is plenty of terrain to suit your skiing/boarding ability.

Tonight we will be staying at Methven Resort. You can take in the starry night sky while soaking in the hotels sought after hot pools. We will then enjoy a meal together at either the iconic Blue Pub or Brown Pubs.

Mt Hutt caters for everyone, with great terrain covering 365 skiable hectares. Accessing to terrain is quick on the 6 seater chairlift, with some light traversing to get to the black diamond runs.

For those seeking adrenalin inducing goodness, Towers, South Face, Montesumas will deliver.

With views reaching out across the quilted landscape to the ocean, or back out across the Southern Alps, photo backdrops are in abundance.

If the heli bug has taken a bite out of you, there's the heli-upgrade option for you. This will be with the same company we used yesterday.

Today you're spoilt for choice. Mount Cook Heliski region is the largest heliski area in NZ, operating among the highest peaks in Aoraki Mount Cook National Park, covering 6 mountain ranges across to the Ben Ohau Range, that tower above the shores of azure Lake Pukaki.

Mount Cook heli has the highest landings, longest runs, greatest snow accumulation and most consistent conditions of any backcountry area in New Zealand.

No matter your experience there will be terrain to suit your ability, from mellow open powder bowls to challenging descents – today will not disappoint.

As the sun sets over Aoraki Mt Cook, we can relax and talk about today's adventures over your included dinner at the Mt Cook Lodge restaurant.

Ohau is the hidden gem of the Southern Alps. With no crowds, at times it can feel like you have the mountain to yourself. There are some groomed runs, but most of the runs are off piste. With a good mix of learner, intermediate and expert runs, you will have an awesome day. For those who are keen to earn their turns, hike up to the 'Ridge Run' for some unforgettable views and riding.

After our time riding at Ohau we drive through to Wanaka where we stay the night, ready for another amazing day of heli skiing.
